

CONNECTING FARMERS AND CONSUMERS WITH EASE

Through Farm Kart, you can be assured to get the best ease to sell your farm products and enjoy the seamless and fast delivery to your location.

HOW TO USE FARM KART

Register on Farm Kart

Sign up as a new user by clicking the register button to gain full access to FarmKart. Whether you are a farmer or buyer, you need to go through the registration process and pass the verification. You can proceed to start transacting in farmkart once this is done. Read the terms of use as you proceed

Market Place

After a successful registration, you will be directed to the market page where all goods will be displayed. There you will be required to choose whether you want to sell your goods or buy from any of the farmers. You can do this settings from your profile and upload your items for sale. You can check for each details of the goods as you visit the page. You will be contacted by our support team for the inspection of your goods.

Purchase Goods

As a buyer, you can buy your items from any of the farmers at the market section. You can also message or negotiate with the seller. After a selection on what to buy, you will add it to your cart. You can purchase as many items as possible. Fill your details to be able to transact with the sellers

Check out of Cart and Make Payment

After selecting the item you want to purchase, you will check out and proceed to pay on our platform. Once you have paid, you will receive a successful message. Also you will be contacted on the expected date of delivery which is swift.
